MEN'S CORNER

LEGALNY ODLLOT

CBD is unlocking the wellness kingdom worldwide. If your body needs relaxation and your mind seeks calmness, "Legal High" is the perfect choice. The therapy begins with a massage using hemp oils, focusing on areas where tension tends to accumulate. The next step is an alternating full-body massage with hot stones and bamboo. To finish, we perform a lifting facial and décolletage massage using an anti-aging, soothing, and CBD-rich treatment. An additional advantage of this ritual is ear candling – aimed at cleansing the ear canal and regulating intracranial and sinus pressure.

After the treatment, you will receive a pre-rolled hemp joint to continue your home therapy – calming the mind, reducing stress, and aiding sleep.

KARKONOSZE CEREMONY

A ceremony that delivers profound relaxation and a feeling of lightness throughout the body. A natural herbal scrub — made with freshly ground local herbs, mineral salts, and nourishing oils — prepares the skin for further care. The body is then wrapped in warm oil and indulged in a signature relaxing massage. Fragrance options: Jasmine with Patchouli or Sage with Lavender.

At the end of the experience, each couple receives a gift for at-home aromatherapy.
