

NOURISHING RITUALS WITH THE USE OF SOFT PACK BED

Soothing ritual A unique relaxation experience for both body and senses. The journey begins with an intensive sugar scrub that moisturizes and smooths the skin, followed by a nourishing massage using aromatic shea butter oils that cocoon the body in comfort.

The ritual is complemented by a facial massage performed during a warm Soft-Pack waterbed session. Gentle, rhythmic movements release muscle tension, improve microcirculation, and enhance the skin's radiant appearance.

The treatment is enriched with aromatherapy to intensify the feeling of deep relaxation and tranquility.
