

MEDESTELLE

TURBO SENSO LIFT

60 min. 450 zł

An innovative treatment combining advanced anti-aging techniques. It is designed to both reduce visible signs of aging and support the skin's internal regenerative mechanisms, helping to maintain its health while minimizing the causes of aging. Recommended for those seeking a comprehensive approach to delaying the aging process—suitable for mature skin as well as for individuals who wish to start anti-aging prevention early.

REJUVENATION SENSO GLOW

60 min. 430 zł

75 min. 490 zł

It is a thoroughly developed therapeutic method that harmoniously integrates advanced corneotherapeutic techniques with innovative skin brightening methods. The key goal of the treatment is to rejuvenate and intensely brighten the skin, as well as improve its overall condition. Recommended for those looking to restore a youthful glow to their skin and improve its complexion and texture.

REDNESS SENSO CALM

60 min. 390 zł

75 min. 450 zł

The treatment focuses on reducing the hyperreactivity of blood vessels and strengthening the skin's structure. Through the selective use of active ingredients that enhance and provide antioxidants, it offers a rebuilding effect and soothes symptoms associated with skin hypersensitivity. Recommended for individuals with couperose skin, prone to redness and irritation. Ideal for sensitive skin in need of special protection and strengthening.

MEDESTELLE

SENSO SUPER HYDRATION

Intensely moisturizing, this is an excellent treatment for dry and dehydrated skin. It restores hydration balance and supports the integrity of the skin barrier. A combination of moisturizing and regenerating ingredients enhances the overall condition of the skin, giving it a healthy and radiant appearance. This treatment is ideal for individuals with dry, dehydrated skin that requires intensive regeneration and deep hydration.

BARIER SENSOREPAIR

The corneotherapy treatment is an advanced procedure that integrates elements of corneotherapy with sensory stimulation techniques, aimed at achieving therapeutic, restorative effects on the skin. It helps to alleviate skin dysfunctions and rebuild the protective layer. Recommended for sensitive and very sensitive skin with irritation symptoms. Also suitable for skin after intensive therapies and invasive treatments for regeneration purposes.

60 min. 390 zł

75 min. 450 zł

DEEP CLEAN

Unquestionably calms skin inflammation, improves its quality, and soothes the symptoms of visible changes resulting from overproduction of sebum. The causes of such skin imperfections can vary, including hormonal imbalances, allergic reactions, food intolerances, or certain active substances found in cosmetics, as well as improper skincare. Recommended for acne-prone, seborrheic, thick skin, and skin with visibly clogged sebaceous gland openings.

MEDESTELLE - TRI-EXOGE

Tri-ExoGF Eye Focus Therapy

An anti-aging treatment focused on the delicate skin around the eyes. It improves the eye contour and brightens dark circles, giving the gaze a youthful glow. The procedure also includes a facial treatment. It reduces the depth of wrinkles and "crow's feet," while increasing skin hydration and firmness. The treatment ensures intense penetration of active ingredients, maximizing the effectiveness of the therapy and leading to visible improvement in skin condition.

with nano-needling 60 min. 390 zł

Tri-ExoGF Face Therapy

The corneotherapeutic treatment is an advanced procedure that integrates elements of corneotherapy with sensory stimulation techniques, aimed at achieving therapeutic and restorative effects on the skin. It alleviates skin dysfunctions and rebuilds the protective barrier. Recommended for sensitive and very sensitive skin showing signs of irritation. Also suitable for skin after intensive therapies and invasive treatments for regeneration purposes.

with nano-needling 75 min. 690 zł

EXPRESS TREATMENTS

ANTI AGE & ANTI SPOT PEEL

Brightening anti-aging peel for mature skin with loss of firmness, uneven skin tone, hyperpigmentation, and enlarged pores. A repair cream is recommended for home care.

50 min. 450 zł

COMBO S-PIROPEEL

A year-round treatment suitable for all skin types, especially recommended for acne-prone, dull skin that requires brightening, oxygenation, and unclogging of hair follicles.

50 min. 450 zł

EXPRESS REPAIR TREATMENT

This is a short yet intensely regenerating treatment recommended for visibly nourishing the skin, featuring an extremely relaxing “Soft Touch” cleansing ritual.

Recommended as an add-on to all body treatments and massages, priced at 200 PLN.

30 min. 250 zł

EYE AREA S.O.S.

Radiant, refreshed eyes with perfect hydration and brightened skin around the eyes. Recommended as an extension of facial treatments.

25 min. 190 zł

EXPRESS TREATMENTS

CAVIPEELING

Cavitation Peeling – ultrasonic, painless, and deep skin cleansing. After the treatment, the skin is prepared to absorb cosmetic products more effectively, which is why applying the appropriate mask at the end of the treatment quickly regenerates and hydrates the skin. During the mask application, a nourishing and hydrating hand massage is performed.

40 min. 250 zł

ROYAL LIFT YONELLE

A facial, neck, and décolletage massage. The massage movements are very precise, combined into lifting, stimulating, and relaxing sequences. From the very first moments, they induce a state of blissful relaxation while simultaneously providing a sense of intense facial muscle stimulation. The massage is performed using a cream or oil carefully selected to meet the skin's needs.
